PHILADELPHIA, Feb. 27.-Under instructions from the United States treasury department the revenue cutter Any one predisposed to Scrofula can Onondanga, Captain Hamlet, sailed

The Minerva is laden with 5,000 tons her cargo was discharged she was to Scrofula appeared on the head of my little have loaded general merchandise at either that port or Philadelphia for St. Mazarine, France.

The Minerva was sighted Feb. 21 in latitude 36:.0, longitude 69.03 and she was taken in tow by the Parana. After towing her for about two hours the hawser parted and the vessels became separated.

The Minerva is 2,315 tons net register and is a steel craft with triple expansion engines. She is of modern construction and design. She is valued. with her cargo, at more than \$300,000.

Birmingham Furnaces. BIRMINGHAM, Ala., Feb. 27. - The Williamson furnace, which has been

idle for a number of years, is ready to go into blast. It has been repaired and as soon as a supply of raw material has been obtained it will begin making iron. Material is being placed on the ground for the commencement of repair work on the Mary Platt furnace in the eastern outskirts of Birmingham. This plant was recently bought by the Alabama Consolidated Coal and Iron company and it has a capacity of 125 tons of iron per day. It has been idle for nearly ten years because of litigation.

Greenville, Ala.

Testimonial From Judge Gaston,

GREENVILLE, Ala., Aug. 10, 1890, I take great pleasure in certifying to the purky and the merit of Wilkinson's Matchless mineral Water. This natural mineral tonic, to my personal knowledge, is taken from a well three miles east of Greenville. in the exact condition in which it is sold. I have seen this water used, with wonderful success, for dyspepsia, indigestion, sore eyes and for eruptive diseases, sores and ulces on man and animals. As a remedy for tiese troubles, I do not believe its equalexists. It is highly recommended by physbians for a number of diseases, ZELL GASTON. Judge of Probate Court, Butler County.
